READY, SET...GO!

Family fun is yours in a snap with your new, snug, sturdy and smooth-riding U got 2[®] Inline kit by Kool-Stop International Inc. The "U-got-2" converts your Senior Kool Stride[®] into a two passenger jogging stroller with superior comfort. The attachment, assembles for action in a few easy steps and folds down into a lightweight, portable package for toting.

Your New Kool-Stop International "U-got-2" accessory includes these features

- * Assembles quickly to the Kool-Strde easily in 1-2 minutes.
- * Innovative 5-point harness, fully adjustable for toddler and up.
- * Complete canopy system, with large window, covers stroller and new "U-got-2" accessory.
- * The two seat inline feature allows better maneuverability through doorway and tight spots
- * Easily removed.

THINK SAFE AND BE SAFE!

- Avoid city streets, heavy traffic and dangerous situations.
- Be sure passenger is properly secured with seat belt.
- Never allow horseplay or standing up in the stroller.
- Never leave your child unattended in stroller
- Always use wrist retention strap.
- Never roller skate while pushing your stroller.
